

# Delta Omicron International Music Fraternity Summer Music Scholarship Information

## BASIC CRITERIA

All applicants must be Delta Omicron members in good standing, having paid national dues for the current year or be a paid Life Member.

Summer Scholarships can only be used for short-term, **NON-CREDIT** summer workshops or camps. These may be located in the USA or internationally. The scholarships cannot be used for graduate or undergraduate for-credit study, or for-credit study abroad. Scholarships may not be used for conferences and conventions.

Summer scholarships are not to be confused with the Delta Omicron Foundation Educational Grants, which have different limitations, rules and application procedures. Please consult the D.O. Foundation website for those awards.

## APPLICATION PROCEDURES

Complete an application from the institution of your interest and apply. In the case of Brevard, indicate on your application that you have applied for a Delta Omicron Summer Scholarship.

You may apply for any and all scholarships for which you and your chosen workshop or program qualify. The restrictions for any scholarship are included in the descriptions below. **You need only make one application for all Delta Omicron summer scholarships.**

Complete the application form on the Delta Omicron website and click "Submit". You will receive a confirmation that your application has been successfully submitted.

**Please do not send letters of recommendation, resumes or tapes unless requested.** All materials submitted become the property of Delta Omicron.

Application deadline is April 15. Recipients will be notified via email by May 1.
